

Health & Safety Measures

From the time you depart until your return home, your health and safety are paramount to AHI Travel.

COVID-19 Vaccine Recommendation

AHI Travel highly recommends a COVID-19 vaccination for all travelers on our international and domestic programs. If more than 270 days have passed since you received the initial single- or two-dose vaccination series, a booster shot is also recommended.

AHI Support Team Working 24/7

Once you've arrived at your destination, our AHI home office support team, Travel Directors and local teams on the ground are continuously communicating to ensure a seamless and safe experience.

Specially Trained Travel Directors

Our Travel Directors will ensure that all activities are conducted in accordance with AHI's health and safety standards and any local regulations. Should someone become ill, your Travel Director is prepared to take action for your personal welfare and safety with emergency protocols already in place. Please monitor your health and alert your Travel Director immediately if you are feeling ill.

Dedicated Local and International Partners

We've established strong, long-standing relationships with our global network of partners, including hotels, motor coach companies, family-owned businesses, restaurants and wineries, among others. Together, we are working closely to ensure that health and safety protocols are followed and that all partners are adhering to up-to-date advice from health authorities.

Safe and Smooth Operation

Hotels, River Ships and Trains

Hygiene protocols have been implemented throughout your trip. This includes enhanced sanitization with disinfectants in hotels and on river ships and trains with a focus in common rooms and other high-traffic areas. Hand sanitizer will be available on-site for guest use.

Personal VOX Headsets

Your personal listening device will be thoroughly sanitized using approved alcohol-based cleaning solutions and sealed in its own case before you receive it at the beginning of your journey. Earbuds are provided brand new for each guest in sealed packaging.

Your Role as a Responsible Traveler

Face Masks

If you would like to wear a face mask, please pack a supply of masks that suit your personal preferences.

Hand Washing

We encourage you to practice healthy hand hygiene by washing your hands frequently and using hand sanitizer.

By working together and maintaining these health and safety protocols to prevent the spread of illness, we can create a safe and enjoyable travel experience for all.
