Travel today may look different, but as always, your well-being and enjoyment remain our highest priority. We are regularly reviewing updates from international authorities and health experts to respond and adhere to requirements and expectations at destinations throughout the world. In our care, you can travel with confidence and rely on a top-notch travel experience with health and safety protocols on all of our departures.

Our International Team at the Ready
For your peace of mind while traveling, all AHI team members will be trained on practices regarding social distancing, sanitization and hygiene protocols. Rest assured, our Travel Directors, guides, drivers and lecturers, as well as hotel and restaurant staff, will work cohesively to create a safe and memorable journey.

Specially Trained Travel Directors
Our international Travel Directors will ensure that all activities are conducted to the highest standard in accordance with AHI’s health and safety standards and local regulations. They will be trained on proper hand hygiene, the use of personal protective equipment (PPE) and physical distancing measures. Should the unexpected arise, they are prepared to take preventative actions for your personal welfare and safety.

Dedicated International Partners
With more than half a century of experience in international educational travel, we have built a reputation for safe and secure operations. In addition, we’ve established strong, long-standing relationships with our global network of partners, including hotels, motor coach companies, family-owned businesses, restaurants and wineries, among others. Together, we are working intently to ensure that procedures and protocols are rigorously followed.

Safe and Smooth Operation
In collaboration with local partners, AHI Travel has been hard at work preparing a thorough health and safety plan for your entire journey.

AHl Support Team Working 24/7
Once you’ve arrived at your destination, our AHI home office support team, Travel Directors and local teams on the ground are continuously communicating to ensure a seamless and safe experience.

Protocols On-Site
After examining every facet of your trip, we’ve fine-tuned our on-site operations to:

► Ensure that hygiene protocols are vigilantly followed by all partners.
  This includes enhanced sanitization in hotels with a focus in common rooms and other high-traffic areas. Motor coaches will be routinely disinfected and hand sanitizer will be available.

► Maintain recommended physical distancing during excursions; motor coach, boat and train journeys; and group events.

► Follow local regulations regarding appropriately sized groups based on each government’s social distancing requirements.

As our company pledge states, we promise stress-free travel and the highest level of service from our experienced, professional staff.

Doing Your Part
All of us share in the responsibility of protecting each other’s health. As a responsible traveler, we ask you to follow the current personal hygiene procedures recommended by the World Health Organization, as well as any requests by our professional staff members while traveling. Before you travel, you will receive up-to-date information concerning the protocols required at each destination.
AHI Health & Safety Protocols

In collaboration with local partners, AHI Travel has been hard at work preparing a thorough health and safety plan for your entire journey. Following the latest guidelines from the Centers for Disease Control and Prevention and the World Health Organization, we’ve fine-tuned our on-site operations to create enhanced protocols that cover every facet of your trip. With destination conditions and travel requirements changing frequently, the initiatives outlined below may be adapted and will be shared with travelers closer to departure. What will remain the same is the dedicated professionalism for which AHI Travel is known.

COVID-19 Vaccine
AHI Travel highly recommends all passengers receive the COVID-19 vaccine for their health, safety and ease of traveling. Please contact your Passenger Service Representative immediately if you do not plan to be fully vaccinated at the time of travel. Many destinations require a COVID-19 vaccination. Therefore, you may need to show proof of vaccination to enter a country on your program. If a country requires a COVID-19 vaccination, we will alert you.

AHI Support Team Working 24/7
Once you’ve arrived at your destination, our AHI home office support team, Travel Directors and local teams on the ground are continuously communicating to ensure a seamless and safe experience.

Specially Trained Travel Directors
Our international Travel Directors will be vaccinated or will undergo a strict COVID-19 testing regimen prior to the start of your program, and they will wear face masks as required. They also have been trained on proper hand hygiene, the use of personal protective equipment (PPE) and physical distancing measures. They will ensure that all activities are conducted in accordance with AHI’s health and safety standards and local regulations. Should someone become ill, your Travel Director is prepared to take action for your personal welfare and safety with emergency protocols already in place.

Dedicated International Partners
We’ve established strong, long-standing relationships with our global network of partners, including hotels, motor coach companies, family-owned businesses, restaurants and wineries, among others. Together, we are working intently to ensure that procedures and protocols are rigorously followed and that all partners are adhering to up-to-date advice from health authorities.

Safe and Smooth Operation
Hotels, River Ships and Trains
Hygiene protocols have been implemented throughout your trip. This includes enhanced sanitization with disinfectants in hotels and on river ships and trains with a focus in common rooms and other high-traffic areas. Hand sanitizer will be available on-site for guest use. In lieu of communal water stations, individual disposable water bottles will be provided for excursions.
Motor Coaches
Motor coaches will operate at a reduced capacity and undergo a daily deep cleaning with close attention to high-touch surfaces. Hand sanitizer will be available on all motor coaches.

Personal VOX Headsets
Your personal listening device will be thoroughly sanitized using approved alcohol-based cleaning solutions and sealed in its own case before you receive it at the beginning of your journey. Earbuds are provided brand new for each guest in sealed packaging.

Physical Distancing/Smaller Groups
AHI Travel will adhere to local regulations regarding appropriately sized groups based on each government’s social distancing requirements. We will work with local partners to ensure recommended physical distancing during excursions and transfers; motor coach, boat and train journeys; and group events and meals.

Temperature Checks
To protect everyone’s health on the trip, Travel Directors will have touchless thermometers and may conduct regular temperature checks for team members and guests.

Your Role as a Responsible Traveler

Face Masks
We ask that you bring your own supply of face masks that suit your personal preferences for comfort and fit. Please wear your mask whenever possible, particularly when it is difficult to physically distance yourself. You may be required to wear a mask at certain times depending on rules/guidelines from the TSA, airlines or local governments and institutions at your destination. AHI Travel will have a supply of disposable masks available on-site.

Hand Washing
We encourage you to practice healthy hand hygiene. This includes washing your hands frequently and using hand sanitizer. For your convenience, we will provide a 2-ounce bottle of hand sanitizer that will be mailed to you prior to departure. It’s extremely important to avoid touching your eyes, mouth and nose with unwashed hands. When sneezing or coughing, please use your inner arm/elbow instead of your hand.

Other Things to Keep in Mind
While traveling, please be considerate and maintain a distance of at least six feet between yourself and others. We ask that you follow any requests made by our professional staff members regarding physical distancing or hygiene protocols. Please monitor your health and alert your Travel Director immediately if you are feeling ill.

By working together and maintaining these health and safety protocols to prevent the spread of illness, we can create a safe and enjoyable travel experience for all.
